Carranza Formally Accepts Principles Of Mediation

So Telegraphs A B C Envoys---Scope Of Mediation Plans For Settlement Of Mexican Crisis Broadened So As To Include All Mexico--- United States And General Huerta Asked To Agree To An Armistice---Late Developments

Washington, April 30.-The scope la Constitution. of the Mexican crisis was suddenly broadened so as to include the entire figgs give way to the army flags. The range of Mexican affairs-not alone soldiers and marines will present the critical issue between the United arms and the bands will play. States and the Huerta regime, but also the conflict between elements of northern and southern Mexico which have rent the republic for many

This signal enlargement of the mediation program followed the receipt of a formal acceptance by General Carranza, chief of the Constitutionalist forces, of the principle of mediation as proposed by the ambassador from Brazil and the ministers from Argentine and Chile

Already the United States and General Huerta had formally accepted the good offices of these South American envoys, and now as a further stop General Carranza has been brought into the deliberations so as to draw every element and faction within the range of any settlement which may be attained.

Armistice Suggested.

nediators made another cisive move in asking the United States and General Huerta to agree the negotiations. The mediators confidently expect both sides to accept the armistice proposal.

Mexican Capital Quiet.

A separate proposal for an armistice as between Huerta and Carranza will also be made, and with its acceptance all of the warring elements throughout Mexico, as well as the American forces, would maintain a military status quo.

The American government in its formal reply to the armistice proposal will expressly stipulate that any untoward act toward Americans will be regarded as an infraction of bha armistice.

The South American envoys held a prolonged session at the Argentina legation. Up to the time of their adjournment they had progressed steadfly on their plans, and foresaw a definite statement within the next few days of their contemplated action.

Word of General Carranga's accept ance of the tender of good offices looking toward mediation came in a telegram directly to the three South American envoys, who informed Secretary Bryan, the announcement being formally made at the state de-
